Dear Globians,

As you are aware, the Birth Anniversary of Sardar Vallabhbhai Patel, the architect of the national integration of independent India, is observed as "Rashtriya Ekta Diwas" (National Unity Day) on 31st October, every year. This is an occasion to foster and reinforce our commitment to strengthen the unity, integrity, and security of the nation.

Recently, the Union Minister for Skill Development and Entrepreneurship launched Skill India Digital (SID). This comprehensive digital platform aspires to provide every Indian with access to quality skill development, relevant opportunities and entrepreneurial support.

In the spirit of National Unity Day, students are requested to take a pledge for commitment in preserving unity, integrity and security of the nation & generate their certificate on Skill India Digital. This act will not only signify their commitment to personal growth but also highlight their dedication to the nation's unity and progress.
